The mission of the Office of Migrant Education is to provide excellent leadership, technical assistance, and financial support to improve the educational opportunities and academic success of migratory children, youth, agricultural workers, fishers, and their families.
Agenda

• Key Evaluation Questions
• Study Methods
• Timeline
• Opportunities to Provide Input
• Questions
Key Evaluation Questions

• How do state and local grantees respond to federal requirements for serving migratory children?

• What services are provided to migratory students?

• How do MEP grantees collaborate with other programs and agencies to address the needs of highly mobile students?

• How do migrant programs support students in earning high school diplomas and equivalency, and preparing for postsecondary education and the workforce?
Study Methods

• Literature Review

• Analysis of Extant Data

• Survey of State Directors

• Survey of Local Directors

• Case Studies of 10 States, 20 school districts or Local Operating Agencies (LOAs), and 40 schools or projects
Technical Work Group

• **Veronica Aguila**, Director, Migrant Education Program, California Department of Education

• **Mary Frances Haluska**, Director, Migrant Education Program, Arizona Department of Education

• **Geri McMahon**, Director, Migrant Education Program, Iowa Department of Education

• **Carmen Medina**, Director, Migrant Education Program, Commonwealth of Pennsylvania Department of Education

• **Jared Robinson**, Evaluator, Migrant Education Program, Michigan Department of Education
