RESULTS Website Goals & Objectives

• The RESULTS website provides information, tools, and resources to promote the interstate and intrastate coordination of the Migrant Education Program.

• RESULTS provides a platform for coordination and serves a highly mobile population.

• Regular updates are made to RESULTS, based on feedback from the field, including you.
DEMONSTRATION: RESULTS WEBSITE
Updates

• OME and RTI work continuously to add new resources and information to RESULTS.

• The Migrant Education ID&R Manual, National ID&R Curriculum, and New Directors Modules (module 2) are currently being revised to align with changes made by ESSA.

• Interactive versions of the manual, curriculum, and new directors modules will be live soon.

• A new Policy Q&As page is being developed.
