

Migrant Education Program

COVID-19 Sharing Session

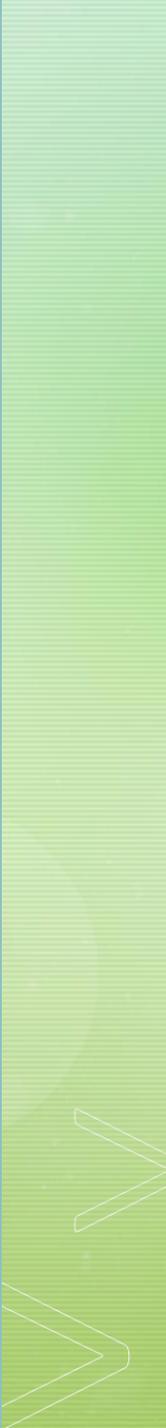

HOUSEKEEPING ITEMS

- Please mute your microphone/telephone unless you are speaking to the group
 - Please do not put us on hold
 - Please allow for pauses between speakers
 - Please feel free to share your video
- 

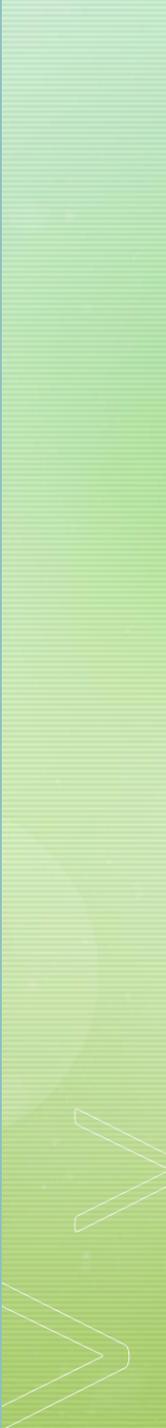

AGENDA

- Opening remarks and updates from ED (20 minutes)
 - Challenges & sharing of strategies (60 minutes)
 - Closing (10 minutes)
- 

OBJECTIVES

- Give grantees an opportunity to share strategies for continuing to meet the needs of migratory students within the new paradigm of school closures and social distancing.
 - Provide an opportunity for OME staff to more fully understand the impact of COVID-19 on State service delivery and support.
 - Identify areas where ED may want to provide technical assistance, guidance, or flexibilities.
- 

Identification and Recruitment (ID&R)

- Please share some ways that your State has successfully identified eligible migratory children and conducted interviews with migratory families during the pandemic.
 - Are there strategies that have worked well for identifying children who have not previously been identified by the MEP or are new to the area?

Needs of Migratory Children

- Please share some of the most **critical needs** you are seeing among migratory children and their families during the pandemic.
 - How are you working with **other resources** to address those needs— for example, local school districts, community programs?

MEP Services: Spring 2020

- What types of MEP-funded services are you **currently providing** to migratory children?
 - What are some of the biggest **challenges** you are facing in provision of services?
 - Are there specific **resources or strategies** that you have found to be particularly useful for serving migratory children in the current climate?

MEP Services: Summer 2020

- What are your plans for **summer services** and how are you working with your subgrantees to develop those plans?

MEP Services: Fall 2020 and Beyond

- What are your plans for **Fall 2020 and beyond**?
Are you anticipating new or different challenges?
How are your States and districts thinking about addressing those challenges?

Technical Assistance

- What are some ways that we at the Department can **assist you** through this time— either directly or by connecting you to your colleagues and other resources?

QUESTIONS?

- Please send questions to your program officer or to COVID-19@ed.gov
- For more information and resources go to: www.ed.gov/coronavirus
